My mum bought some eggs and put
them in the fridge.

My mum bought some eggs and put
them in the fridge.

My mum bought **some** eggs **and** put
them in the fridge.

My mum bought **some** eggs **and** put
them in the fridge.

My mum bought some eggs and put
them in the fridge.

My mum bought some eggs and put
them in the fridge.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

There was a lot of dust in my house,
but I cleaned it up fast.

I will do this for you as soon as I get
home.

I **will** do this for you as soon as I get
home.

I **will** do this **for** you as soon as I get
home.

I will do this for you as soon as I get
home.

I will do this for you as soon as I get
home.

I will do this for you as soon as I get
home.

I think we should look at John's car
to see if we can fix it.

I think we **should** look at John's car
to see if we can fix it.

I think we should look at John's car
to see if we can fix it.

I think we should look at John's car
to see if we can fix it.

I think we should look at John's car
to see if we can fix it.

I think we should look at John's car
to see if we can fix it.
